

# TREASURE HUNT

# Instructions

- Think about what theme your scavenger hunt should have.
- Come up with matching tasks and riddles.
- Hide the clues and challenges.
- You can also create a fitting storyline beforehand.
- Read through our blog — you'll find tons of ideas on [riddlelicious.com](http://riddlelicious.com)
- Prepare all necessary materials.
- Pens, paper, and small prizes (candy, stickers, medals).
- Optional: costumes or decorations that match the theme.
- Organize the game flow
- Give the kids a short introduction or story.
- Set the starting point, hide the clues, and begin the game.
- Finale & Reward
- Hide the “treasure” well (e.g., a treasure chest filled with surprises).
- Celebrate and reward the successful treasure hunters.

**PREPARATION: The Story**

The game leader reads the story aloud at each station:

“Imagine you are standing at the edge of the Enchanted Forest – a magical place filled with talking animals, sparkling fireflies, and singing flowers. But today, something is different. The colors are pale, the flowers are drooping, and even the trees have stopped whispering.

The game leader reads aloud and takes on the role of Professor Luminus: I am Professor Luminus, the Guardian of the Forest. And I need your help!

CHILDREN, THE GREAT MAGIC THAT KEEPS OUR FOREST HEART ALIVE HAS DISAPPEARED. WITHOUT IT, THE MAGIC WILL FADE FOREVER. BUT I BELIEVE IN YOU! ONLY YOU CAN BRING THE MAGIC BACK BY COLLECTING EIGHT MAGICAL INGREDIENTS HIDDEN DEEP WITHIN THE FOREST.

“You are the chosen ones. Your courage and wisdom will save the Enchanted Forest!”

**TIP:**

PREPARE SMALL JARS OR BOTTLES FILLED WITH DIFFERENT WATERCOLORS OR FOOD COLORING FOR THE CHILDREN TO FIND AT EACH STATION.
